

REMARKS

Applicants request favorable reconsideration and allowance of the subject application in view of the preceding amendments and the following remarks.

To place the subject application in better form, the specification has been amended to correct a minor informality. No new matter has been added by this change.

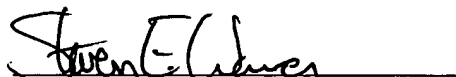

Claims 1, 2, 10-13, 15-26, 28-41 and 43-58 are presented for consideration. Claims 1, 16, 22, 28, 30, 40 and 47 are independent. Claims 22, 30 and 47 have been amended to clarify features of the subject invention. Support for these changes can be found in the original application, as filed. Therefore, no new matter has been added.

Claims 1, 2, 10-13, 15-26, 28-41 and 43-58 were previously allowed in this application. Applicants submit that the changes to claims 22, 30 and 47 do not affect the allowability of these claims so that those claims should remain allowable.

Applicants submit, therefore, that the instant application is in condition for allowance. Favorable reconsideration and an early Notice of Allowance are requested.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should be directed to our address listed below.

Respectfully submitted,

Attorney for Applicants
